SkiWelt skiing pleasure.
The kind you can rely on. Every day.

From early December to late March, SkiWelt offers reliable skiing enjoyment every day in one of the largest and most modern 5-star ski resorts in the world. More than 500 specialists work every day to ensure perfectly groomed pistes. The ideal altitude, the favourable location on the northern edge of the Alps and the natural alpine pasture terrain create the perfect conditions for excellent skiing, supported by modern snowmaking and sustainable piste maintenance.
